	Home Assignment	
	2024-25	
	Grade-III	
	e: on: Roll. No	
1. 2. 3.	Note: Assignment Marks will be added in the Terminal Assessment. Parents are required to let their child do his/her assignments on his/her own Use loose sheets if required to perform the task. Best Assignment of the year will be recognised.	
A	v)	Ŕ

'Summer Vacation weaves a magic wand over the little world of our kids, everything softer and more beautiful.'

So, Hello Summer!!

The seven Golden Commandments for an exemplary Summer Vacation [to be followed by Parents Ward Duo].

a) What about Dining Together? A family that dines together, stays happy forever.

Feasting together with your ward atleast twice a day will strengthen bonds between you and your ward. They will share with you their innermost desires, once you start this process.

b) Teaching them Dignity of Labour: Asking your ward to engage in household chores like cleaning their dishes after meals, assisting maids and house servants, or gardeners or assisting you in cooking and serving food.

c) Visit to Orphanages: Instead of visiting malls, which promotes pseudo culture, allow your kids to visit orphanages so that they connect with the lesser fortunate, learn about their plight. Only by seeing the downtrodden, first hand, can they develop 'Empathy'.

d) Kinship with Mother Nature:- In order to develop affinity and accordance with nature, let the kids work in their kitchen garden, let them plant a sapling or a seed in medium sized pot on the first day of summer break. Ask them to nurture it throughout the holiday and to carry to school with their name tags on 11 July, 2018. This sapling will be nurtured by your ward in the school for the next few years. This way they will learn the value of 'caring' and also appreciate all that you do for them.

e) Shun the Indoor Era: Let them gel with rustic, invigorating natural environment. Let them steer clear of indoor culture which has made them slothful. Let them get dirty, let them bask in natural sunshine, prohibit air conditioners for them.

As Emerson said, "Live in the sunshine, swim the sea, drink the wild air."

Let your kids be adventurous, wild. Let them be REAL KIDS FOR A CHANGE.

f) Sow in them seeds of Philanthropy and Good Humanitarianism: Allow them to donate their old, unused stuff to the needy. Teach them to be generous. Let them donate with their own hands, their discarded clothes, stationery, bags, books, bottles, tiffin boxes etc.

So Dear Parents,

LET HOLIDAY MODE BE ACTIVATED

Holidays are a perfect time to reflect on our blessings and seek out ways to make life better for those around us.

May Your Days be Merry and Bright

Hope You Enjoy a Blissful Bonding with Your Ward.

LET THE MEMORIES OF HOLIDAYS LAST FOREVER

ENGLISH

A. Match.

1. They played in the park	a.	magnificently.
2. She danced	b.	happily.
3. The students wrote the exam	C.	sadly.
4. The driver drove	d.	seriously.
5. He shook his head	e.	carefully.

B. Complete. Use the adverb form of the adjectives given in the brackets.

- 1. The mouse sneaked through the door. (quiet)
- 2. The cat slept on the windowsill. (peaceful)
- 3. Amira patted the puppy (gentle)
- 4. Jack sings in the school choir. (beautiful)
- 5. She spoke to avoid waking up her baby brother. (soft)
- 6. He walked and missed the bus. (slow)

12. गद्यांश को पढ़कर प्रश्नों के उत्तर दीजिए: मोर का नृत्य बड़ा ही मनमोहक होता है। जब बरसात के मौसम में आकाश 🕯 काले-काले बादल छा जाते हैं, तो मोर अपने पंख फैलाकर मस्त होकर नाचने लग्ज है। किंतु नाचते–नाचते उसकी दुष्टि जैसे ही अपने पाँव पर पड़ती है वैसे ही उसक नृत्य समाप्त हो जाता है, क्योंकि उसके पाँव दिखने में कुरूप होते हैं। मोर के पंख से मुकुट बनते हैं। श्रीकृष्ण भी अपने मुकुट पर मोर पंख लगाते थे। जन्द ऋतु में मोर के पंख गिर जाते हैं, जिन्हें लोग एकत्रित कर लेते हैं। फिर वसंत ऋतु आजे पर उसके नए पंख निकल आते हैं। मोर साँपों का शत्रु है। जहाँ मोर होता है, वहाँ साँप नहीं होते हैं। सचमुच मोर उपयोगी और सुंदर पक्षी है। दिए गए प्रश्नों के उत्तर लिखिए-भारत में राष्ट्रीय पशु के रूप में किसे स्वीकार किया गया है? (क) मोर के पंख किस रंग के होते हैं और उन पर क्या बना होता है? (ख) मोर नाचना कब शुरू करता है? (ग) श्रीकृष्ण अपने मुकुट पर क्या लगाते थे? (घ) किस ऋतु में मोर के पंख गिर जाते हैं? (ङ) वाक्य बनाओ :-मुकुट -द्रान्रु-मौर-

A. Do the following activities on scrap book

- 1. Every country has a national flower. Find the name of the flower of any five countries. Create a table on a scrap book that shows the picture of flowers along with their country.
- 2. All states in India have a state bird. Find the name of your state bird. Also find it's eating habits and how it makes its nest. Collect pictures of the bird and paste them on a scrap book. Write a few lines about bird.
- 3. Doctors who specialize in a particular area of medicine or treatment of specific body parts are known as specialists. With the help of internet, find the special names given to the doctors who are specialized in the treatment of given body part
 - Eyes * Nerves
 - Bones * Heart
 - Teeth * skin
 - Ear, nose, throat

- 4. Go out and closely observe you shadow at least five times in a day (7 am, 10 am, 12 noon,3pm, 6pm) and click the picture and paste on a scrap book with time. Find when your shadow is shortest and when it is the longest.
- 5. Collect packages of various food items and paste them on a scrap book. Check the nutrition chart given on the package. List the good items and the nutrients present in them. Classify the food items as healthy or junk food.

B. Tick the correct answer:-

- 1. Plants make their food by the process of
 - a) Chlorophyll
 - b) b) photosynthesis
 - c) c) water
- 2. Bird have long, thin and curved beak
- a) Sunbird
- b) b) Humming
- c) c) both

3. The.... Pumps blood to all parts of our body.

- a) Heart
- b) b) kidney
- c) c) liver
- 4. The system helps to produce babies
- a) digestive
- b) b) excretory
- c) reproductive

5.A child may get injured in the playground because of playing... ... games.

- a) Rough
- b) b) correct
- c) c) old
- C. Fill in the blanks :-
- 1. The sense of is related with the eyes

2. The sense of is related with the ears.

3. is a non living thing. .

- 4. Loud sound is... ... for our health.
- 5. has a short and curved beak.

D. Circle the odd:-

- 1. Vulture hawk parrot
- 2. Digestion excretory heart
- 3. Eyes nose ears legs
- 4. Chlorophyll oxygen carbondioxide
- 5. Rice carrot tomato

C.Projects and Models:-

1. Make a model of the solar system. Use balls of different sizes for the planet and place them on a

cardboard sheet. Your model should show the correct position of the planet around the sun. Present your

model in class. (For Roll no :- 1-5)

2. Make a simple rain gauge. Take help from your book page no – 63 (For roll no - 6-10)

3.Make a simple model of the plant, also mention its parts. For reference you can take help from this video

https://youtu.be/-RD8BKdiHj0?si=ywRlVQShgcdievf6 (For roll no - 11-15)

4. Make a simple model on formation of day and night. For reference you can take help from this video

https://youtu.be/nt_3YyDEJzg?si=Njbcw8nQgWBogc2p (for roll no - 16-20)

5. Make a simple model of the respiratory system. For reference you can take help from this video

<u>https://youtu.be/IEWWvGqW694?feature=shared</u> (For roll no - 21-27)

D. Answer the following questions:-

- 1. When you eat an apple seed by mistake, does it grow into a plant inside your stomach? Give a reason for your answer.
- 2. Rohan draws a hummingbird with a broad and flat beak .Mita says that Rohan has drawn the Beak of Hummingbird incorrectly. Do you think Mita is right? Give a reason for your answer.
- 3. We breathe through our nose ,but sometimes we also take in air through our mouth. Should we breathe through our mouths?Why/Why not give a reason to support your answer.
- 4. It is night time and your home is very dark. You need to find your favourite, toy but you cannot see it. Why does this happen ? What can you use to light up and find your toy.
- 5. Draw the diagram of :-
 - I. Germination of seed
 - II. Digestive system
 - III. Excretory system

on your scrap book also colour and label them.

MATHS

Match the following :	<u>Column B</u>
Column A	(i) 6900
(a) Seven thousand eight hundred	(ii) 4015
(b) Six thousand nine hundred	·····* (iii) 7800
(c) Eight thousand two	(iv) 9009
(d) Four thousand fifteen	(v) 8002
(e) Nine thousand nine	
Write the next four numbers by observing	g the pattern carefully:
(a) 2389, 2390, 2391,,	
(b) 2211, 2212, 2213,,	m j minimum j minimum
(c) 4405, 4410, 4415,, ,	m j munumu j munumu
(d) 1178, 1278, 1378,,	m) anannu j manna

2. Look at the picture and answer the following questions.

From the above picture answer the following:

- 1. What is the price of most expensive shirt?
- 2. What is the price of cheapest shirt?
- 3. Subtract the price of most expensive shirt and cheapest shirt
- 4. Write expanded for every price of shirt.
- 5. Estimate the price of cheapest shirt nearest to tens place , hundred place and thousand place.

3. Answer the following:

4. Write and learn tables from 2 to 20.

5.

Number	Successor	Predecessor
2568		
9010		
7461	and how the management of the second second	
8000		

6. Do the following as instructed:

Circle all odd numbers and cross all even numbers.						
	101	102	103	104	105	
	106	107	108	109	110	
	111	112	113	114	115	
	116	117	118	119	120	

7.

Estimate the sum of the following nearest to tens and find actual sum also.

- a. 78 + 43
- b. 314 + 211
- c. 156 + 342

8. Estimate the sum of the following nearest to hundreds and find actual sum also.

a. 1347 + 1547

- b. 651 + 143
- c. 1237 + 2341
- 9. Do the following worksheet:

2,523	3,398	9,403	3,709
- 1,992	- 2,462	- 4,327	- 1,230
2,782	3,340	3,217	3,145
- 1,450	- 2,236	- 2,223	1,105
5,638	8,051	9,844	5,694
- 3,214	- 7,188	- 3,924	- 2,822
