## **Guidelines for a Balanced and Enriching Learning Experience at Home**

Dear Parents and Guardians

Thank you for being an essential partner in your child's learning journey. Here are a few tips to make the most of this Home Assignment:

### **Academics and Term I Preparation**

- Encourage a daily routine that includes time for reading, writing and activity-based learning.
- Focus on basic and conceptual skills.
- Revise the concepts covered in class as shared through circulars and communication.
- Prepare gradually for the Term I Exam in September — avoid last-minute stress.
- Create a study corner that's well-lit, quiet, and cheerful.

### **Play & Creative Time**

- Ensure your child gets ample free play, which boosts brain development.
- Engage in art and craft using eco-friendly materials.
- Storytelling, singing rhymes and dancing together create joyful bonds.

### **Seva & Social Responsibility**

- Introduce the child to values of compassion and sharing:
- Visit an old age home or Blind Ashram occasionally. Let the child offer fruits, biscuits or a handmade card.
- Encourage small acts of kindness like donating old toys/clothes.
- Explain the importance of Seva (selfless service) through simple examples.

### **Family Time & Social Visits**

- Plan weekend visits to relatives or grandparents to strengthen family ties.
- Share stories from your own childhood — this builds emotional connection and moral learning.

### **Stay Connected with Teachers**

- Don't hesitate to reach out for academic support or even emotional guidance.
- Teachers are here to help — schedule a brief chat during PTMs or via school communication channels.

### **Final Tips**

- Assignments are meant to be child-led. Offer guidance but let the child explore.
- All submissions will be graded and the Best Assignment of the Year will be rewarded.
- Keep things light — learning should be joyful, not stressful

**Let's raise not just a student, but a good human being — one kind act, one thoughtful task at a time.**
