“Pathways to Progress”
Curriculum & Home Support Guide
2025-26

GRADE – VI

FOREWORD

Dear Parents and Guardians

It gives us great pleasure to present the “Pathways to Progress: Curriculum & Home Support Guide 2025–26”—a thoughtful blend of academic structure and home-based learning support.

This guide has been curated not only to outline the curriculum, examination policies and PTM schedule, but also to strengthen the bridge between school and home. We believe that when educators and parents walk in harmony, every child’s journey becomes more meaningful, confident and joyful.

Within these pages, you will find academic expectations, along with gentle guidance on how to support your child at home—through planned study hours, regular routines, moments of mindfulness and reflections of gratitude. These practices help children not only excel academically but also grow emotionally and socially.

Let us walk this path together—with shared responsibility and a shared vision—to nurture young minds towards a brighter tomorrow.

***“Together, we raise not just
successful students
but confident, kind human beings”.***

Guidelines for Supporting Your Child's Learning at Home

To ensure your child develops healthy study habits and maintains a balanced routine, we recommend the following practices:

1. Begin with Mindfulness (10–15 Minutes Daily)

- A short session of deep breathing, gratitude or silent sitting can calm the mind and help your child focus better.
- You may use guided meditation, soft instrumental music or simply quiet reflection.

“मन शांत हो तो विचार भी स्पष्ट होते हैं।”

2. Plan Study Hours Thoughtfully

- Set a fixed time each day for studies, ensuring consistency.
- Break longer sessions into short focused intervals with small breaks (e.g., 40 minutes study + 10 minutes break).
- Prioritize homework, revision and creative reading separately.
- Avoid distractions like TV and phones during study time.

3. Encourage Gratitude Before Bed

- Before the day ends, encourage your child to reflect on 2–3 things they are thankful for.
- This builds emotional strength and a positive mindset.

“हर दिन के अंत में, धन्यवाद कहें उस ज्ञान के लिए जो मिला,
और उन कोशिशों को जो हुईं।”
